

Erica Girls' Primary School

Erica was founded in 1883 by a group of prominent Port Elizabethans to provide their daughters with superior primary school education.

This vision has lived on through successive generations with outstanding educationalists who have headed and taught at the school. Erica is a leading primary school giving students the freedom of choice of a senior school to meet their needs.

Today Erica, in its magnificent school building on the hills overlooking Algoa Bay, epitomizes a heritage of excellence. Modern, well-equipped classrooms, up-to-date computer room, library and hall surround the tranquil gardens of the quadrangle. Music is an important part of daily school life and a full range of extra-curricular activities are enjoyed daily by the girls.

Erica also boasts magnificent sports fields as well as a swimming pool where all our girls are taught to swim.

All in all, Erica Girls' Primary School offers young girls of today the foundations they need to go out into the world and be role models to others.
